

METRIC XIV RESULTS

The Metric Invitational was a great success this year thanks to all the fine coaches and athletes attending the meet. I apologize for the late finish and assure you that it will not happen again. Please return the post card I have included with these results. I am very anxious to receive input from all of those attending the Metric. If you did not receive all of your awards at the meet they should be included with these results. If there is any problem or discrepancy please contact me. Once again I want to thank you for attending the Metric and for all the excellent performances by your athletes.

Sincerely,
