

February 9, 1990

Dear Coach,

Since we have a beautiful new track, I would like to revive an old meet. At Richard Montgomery, I would like to host a team decathalon. The original meet was held at Rockville. Tom Banfield and Bob Stack of Rockville are excited that we liked their idea and wanted to have this type of meet again.

The meet will be held on Friday, May 4, 1990. Field events will begin at 5:30 p.m. and the running events will begin at 6:30 p.m.. This meet should be a good tune up for the County since we will be running under the lights, and we won't conflict with SAT tests on Saturday. Each team is permitted to enter one individual in each of the ten events, and one relay team. An individual is permitted to participate in four events, only one of which is an individual event. Points will be awarded based on their performance. The overall team champion and runner-up will be determined by those teams with the most points. Awards will be presented to the top two teams, and the first six individuals in each event. Entry fee is \$30 per team or \$50 for both boys and girls. You may enter an additional "B" squad at no additional charge if you can field 10 events. They would not be eligible for awards, but a score would be compiled for them. Order of events on reverse side.

Sincerely yours,

Greg
