KATIE JENKINS

Katie Jenkins graduated from Sherwood High School in 1981. She was a model student who died long before her time. In 1983 on the Fourth of July, a dark rainy day late in the afternoon Katie was in a disastrous car accident resulting in her death. She had just completed her second year in college majoring in physical therapy.

Katie had a sterling high school career including many awards and successes. During her four years at Sherwood, she was awarded varsity letters for every sports team she participated on. She participated in field hockey, basketball, and track and field. She was on the State Champion field hockey team and won 2nd place overall in the State Track and Field meet for the Discus.

Katie was not only a great athlete but also an honor student. She was on the honor roll throughout her high school career, and for her efforts, she became a member of the Sherwood chapter of the National Honor Society.

Katie's coaches knew her as a dedicated team player, an excellent competitor and an inspiration to those who competed with her. Because of her contributions to our school, the Sherwood Athletic Department and coaches dedicated this 16th Annual Invitational Track Meet to the memory of her and her loving family.
