1999

As I get closer to retirement (older), the memory gets fuzzier. Twenty years ago we only scored the first two pairs of girls for the team scoring. After reading the rules, which I wrote, I rescored the meet using the correct number of pairs (3). Please forgive this old man. Hopefully, no one looked at the original score, and thought that he'll do anything to win. I apologize and hope that your season is going well.

  
Gregory Dunston
